Logo colours

Colour
The logo should only ever be set in **white** or **blue**.

• Use the **blue** logo on light coloured backgrounds like white or off white.
• Use the **white** logo on dark coloured backgrounds like blue or navy.
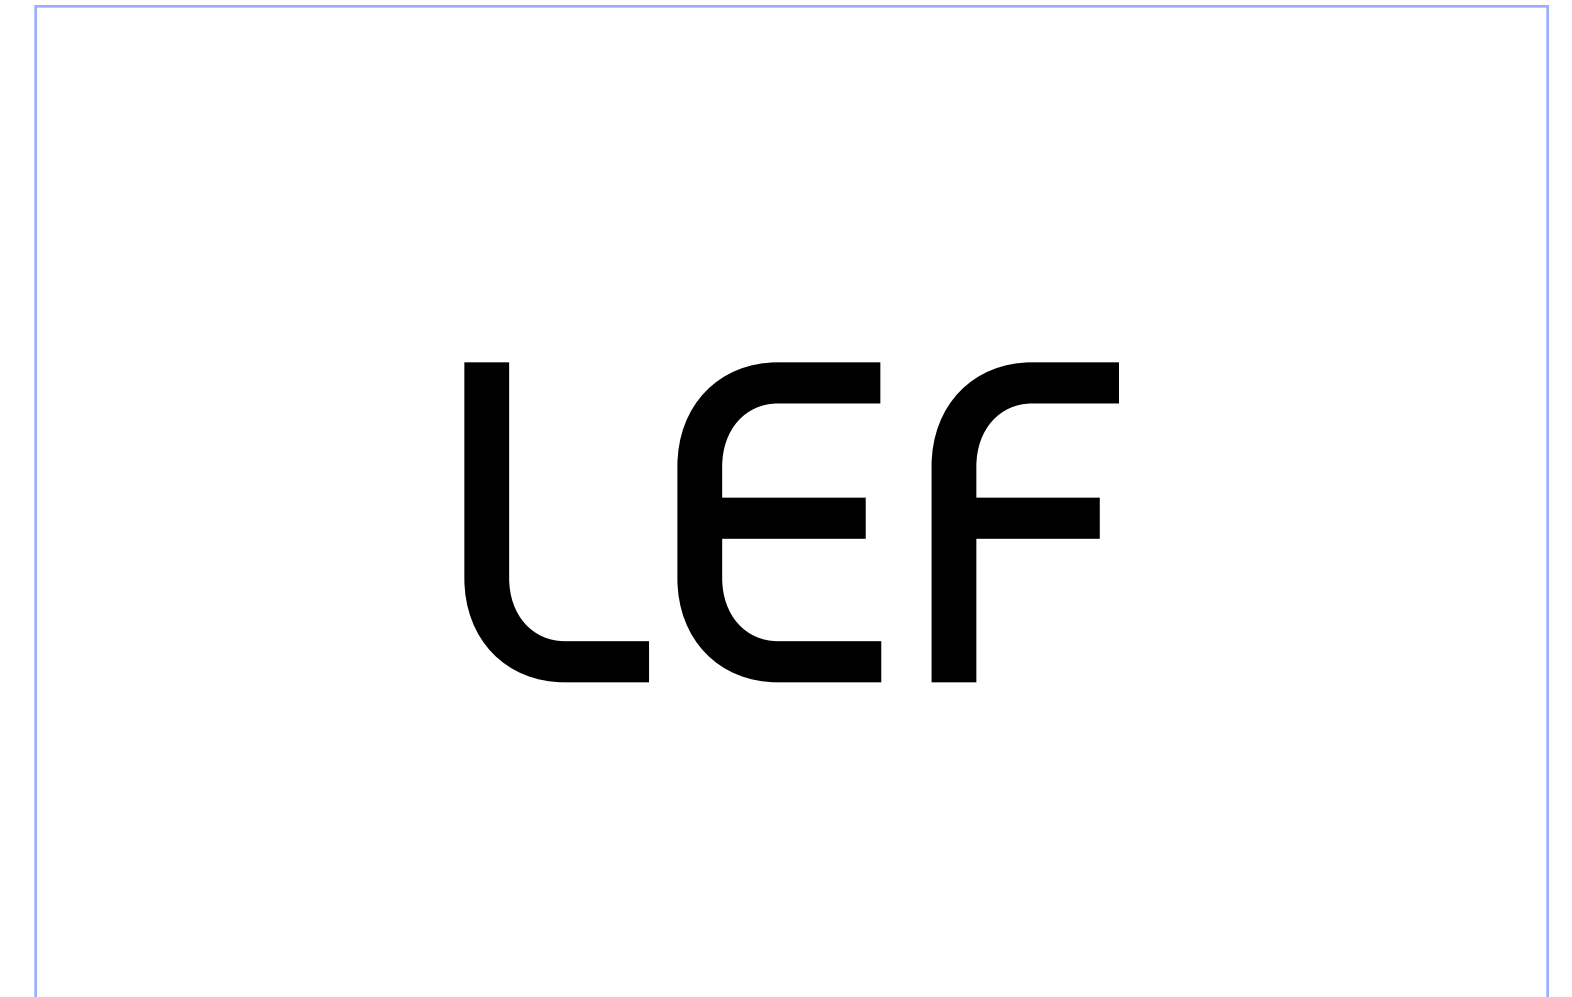

Exceptions
In cases where only black and white printing is available, it is acceptable to print the logo in black.

LEF

Logo in blue, for use on light backgrounds

LEF

White version for dark backgrounds

LEF

Black version for black and white printing

Strapline

Our logo can also be used alongside our strapline: **'Funding law for social justice'.**

Always use our logo lockup artworks; do not type the strapline with live text.

Exclusion zone and minimum size

Exclusion zone
Our logo should be surrounded by an area of clear space to ensure maximum visibility and impact. This exclusion zone is equal to the **half the height** of our logo.

Minimum size
Our logo should appear no smaller than 8mm high in print, or 24dp (density–independent pixels) high in digital applications.

Minimum size

Minimum of 8mm or 24dp
